STREET CAR FARE

Davidson County Court Has Case Involving Valuation of Memphis Street Car Property Under Advisement.

NASHVILLE, Tenn. Oct. 12 (Spi.)

The petition of the city of Memphis for a writ of certiorari seeking to have the civil court of Davidson county reduce the rate base of the Memphis Street Railway company from \$11.800.000 to approximately \$9.500,000, which was argued in the third division of the Davidson county circuit court Monday, was taken under advisement. An opinion in the matter is expected within a week.

The state utilities commission some time ago fixed the valuation some time ago fixed the valuation of the Memphis Street Railway company at \$11,800,000 as the figure upon which the company is entitled to earn a fair return. Waiter P. Armstrong, city attorney, of Memphis, filed a petition for a writ of certiforari, in which he seeks to show that approximately \$2,000,000 of this bount is superseded property and rount is superseded property and original investment and that the company is entitled to no return upon

The interests of the street rallway company were cared for by Gen.
Luke E. Wright and Lovick P.
Miles, and Attorney-General Frank
Thompson handled that phase of the
case touching the state utilities com-

A favorable decision, according to Mr. Armstrong, will be a step toward securing a reduction in street car fares in Memphis.

Police Will Take Daily Exercise

Boxing, wrestling, basketball and setting-up exercises will be daily a part of the police school curriculum at headquarters, it was announced

at headquarters, it was announced Tuesday by Fire and Folice Commissioner J. B. Edgar.
G. W. Gleaves, physical trainer of the Memphis Y. M. C. A. and formerly connected with the Nashville police force as physical instructor, has been engaged by the police department to train policemen. The police "gym" soon will be fitted up for basketball games.

Mervin Rosenbush, Jiu jitsu expert at the "Y," will teach this art to the policemen, also,

FARM SPECIALIST

IS TESTING SOIL

E. R. Lloyd, farm specialist with the Memphis Chamber of Com-merce, was in Helena, Ark., Tuesday and in company with the county agent of Phillips county and mem-bers of the Soil Improvement associ-ation of the Southern Fertilizer association, was making a tour of that county to determine the character of fertilizers that would be best adapted to the soils there.

A large supply of fertilizers is to

be used this next year on the soil of Phillips county and the grade to be used will probably depend upon the report made by the investigators.

WILL ENTER HOSPITAL.

F. E. Hagler, an operative in the income tax bureau at the Memphis postoffice, entered the local marine hospital Tuesday morning where he will undergo an operation for an injury sustained in the knee, while he was a member of the American expeditionary forces in France. Though not a serious operation, Mr. Hagler will be in the hospital for two weeks or more.

HOW TO DARKEN GRAY HAIR

A Cincinnati Barber Tells How to Make a Remedy for Gray Hair.

A well-known resident of Cincin nati, Ohio, who has been a barber for more than forty years, recently made the following statement: "Anyone can prepare a simple mix-ture at home, at very little cost, that will darken gray hair, and make it soft and glossy. To a half-pint of water add 1 ounce bay rum, a small box of Barbo Compound and 1-4 ounce of glycerine. These ingredlents can be bought at any drug store at very little cost. Apply to the hair twice a week until the destruction. Sired shade is obtained. This will make a gray-haired person look where. make a gray-haired person look twenty years younger. It is easy to use, does not color the most delicate scalp, is not sticky or greasy and does not rub off." adv.

"Gure Your Rupture Like **Cured Mine**"

Old Sea Captain Cured His Own Rupture After Doctors Said "Operate or Death."

His Remedy and Book Sent Free. Captain Collings sailed the seas for many years; then he sustained a bad double rupture that soon forced him to not only remain ashore, but kept him bedridden for years. He tried doctor after doctor and truss after truss. No results! Finally, he was assured that he must either submit to a dangerous and abhorrent operation or die. He did seither! He cured himself instead.

"Fellow Men and Women, You Don't Have To Be Cut Up, and You Don't Have To Be Tortured By Trusses." Captain Collings made a study of himself, of his condition—and at last he was rewarded by the finding of the method that so quickly made him a well, strong, vigorous and happy man.

Anyone can use the same method; it's simple, easy, safe and inexpensive. Every ruptured person in the world should have the Captain Collings book, telling all sbout how he cured himself, and how anyone may follow the same treatment in their own home without any trouble. The book and medicine are FREE. They will be sent prepaid to any rupture sufferer who will fill out the below coupon. But send it right away—now—before you put down this paper.

Is Lack Of Iron In The Blood Dragging You Into The Torture Chamber Of Ill-Health?

Physician Says Thousands Are Racked By Ill-Health Because They Have Let The Iron In Their Blood Run Low-

RECOMMENDS ORGANIC IRON—NUXATED IRON To Build Red Blood, Mighty Strength And The Sturdy Health That Laughs At Disease — Says

"You Cannot Be Strong And Well Without Plenty Of Iron In The Blood."

Thousands of people are held in the clutch of Anaemia—lack of iron in the blood—and in consequence they feel sickly, tired and run-down, and yield easily to every little ailment that seems to strike them out of a clear sky. Men lose time from their business, and never seem to be able to work at their full efficiency; and women find their household tasks terribly tiring and burdensome. They are condemned to the torture-chamber of lif-Health, when in many cases their condition is due to nothing more or less than lack of iron in the blood. The strains and burdens of present day life tend to drain the iron from the blood, and few of un lead the normal, vigorous and few of us lead the normal, vigorous life and eat the coarse from filled foods that would help to replenish the supply of from. When the from in the blood runs low, the blood becomes impoverished, thin, and anaemic, leaving us without the vitality to fight off sickness and infections, and it is the opinion of physicians that in such excursions there. of physicians that in such circumstances we should by all means quickly build up the supply of iron in the blood Dr. John J. Van Horne, formerly Medical Inspector and Clinical Physician on the Board of Health of New 1
